

**EXCLUSIVE FOR  
LATIN AMERICA**

# Get your financing for as low as 8 %

A smarter, easier way to finance your RM machine internationally.

Financing shouldn't slow you down. With RUBBLE MASTER, supported by the OEKB (Oesterreichische Kontrollbank), you get fast, secure and attractive international financing — independent of your local bank.

## WHY CUSTOMERS CHOOSE THIS SOLUTION?

#1

### Fastest approval on the market

Less paperwork. 2 weeks turnaround

### Attractive, stable interest rates

Backed by the export financing bank of the Republic of Austria

### No-surprise repayment plan

Fixed instalments, fixed-terms

## ARE YOU ELIGIBLE FOR OEKB FINANCING?

### YOU CAN USE OEKB FINANCING IF:

- ✓ Your company has stable financials
- ✓ You operate in an OEKB eligible country
- ✓ You can provide up to 3 balance sheets

### YOU CANNOT USE OEKB FINANCING IF:

- ✗ Your country is sanctioned or high risk
- ✗ Financials are insufficient
- ✗ Balance sheets cannot be submitted

## GET YOUR RM MACHINE FASTER!

1. Select your RM machine
2. Submit your financial documents: last 3 annual balance sheets, basic company information
3. OEKB assessment: ~10 business days
4. Financing decision: Immediate feedback
5. Finalize your order: Provide signed order confirmation and make down payment
6. Activation: OEKB issues guarantee
7. Repayment: Fixed instalments according to payment plan
