

**TURN WASTE INTO VALUE**

## **1 GET A FREE CONSULTATION**

Call us at **(111) 222-3344** and tell us about your project. We come to your site and inspect the material and suggest the correct equipment to get the job done.

## **2 GET THE RIGHT EQUIPMENT**

We have state-of-the-art equipment for on-site crushing jobs, including mobile jaw and impact crushers, stacking conveyors, and screeners. We even run our own truck and trailer to deliver on time!

## **3 GET THE JOB DONE PROFESSIONALLY**

We start fast and finish even faster. We have more than XX years of combined crushing & screening experience.

At Crushing123 we understand, that hiring the wrong partner or equipment will cause delays and lost profit. That's why we specialize in on-site material processing, train our team all the way and work with state-of-the-art equipment.

**That's how we maximize our daily production!**

**HARD ROCK CRUSHING**  
WITH OUR JAW CRUSHER

# EXPERTISE YOU CAN TRUST

"Working with Crushing 123 was super easy.  
They delivered on time, making my unused  
rubble into valuable product that I could sell  
on the spot."

Scott  
Concrete Business NJ

„Good price for great outcome! I really  
appreciated that they came to my site and  
inspected the material, making it easier to  
see what solution works best for me."

Pete  
Asphalt Inc.

WE ALSO OFFER  
**SCREENING SERVICES**

# PAY BY OUTPUT

Time is money, and nothing's more frustrating  
than watching a crew stand around, figuring  
things out on your dime. That's not how we  
operate. The moment we arrive, the work starts.

*You're paying for results, and that's exactly  
what you get!*

**FULLY STOCKED SERVICE TRUCK**  
INCLUDED IN DAILY RENTAL
